College Name	Estimated Cost	Grants	Loans	Work Study
1.				
2.				
3.				
4.				

If you have not received financial aid notification, please submit this information to the Committee as soon as you receive it. ***Your application may be returned as incomplete if you do not submit this information.***

### Written Statement

Please attach a written statement of no more than two pages in length in which you discuss your interest in engineering, mathematics and/or science and why you want to pursue a college degree in this area. Please include information about an accomplishment in your field of which you are particularly proud; an engineering, mathematics or science topic that has motivated you; or other specific example of your unique interest in these fields. The written statement should also include at least one paragraph in which you discuss your financial need, including any circumstances which may impact your family's financial situation (such as grandparents or dependent children older than 18 who are living with you).

## References

Please enclose with your application two references, one from a mathematics or science teacher who knows your work well, and one from a guidance counselor or advisor. These references should be in separately sealed envelopes, and the reference writer should sign their name across the back flap of the letter. You must follow this procedure carefully or your application may be considered incomplete.

**Signature**

*If you are under 18 years old, this application must be signed by you and your parent/guardian.*

By submitting this application I certify that I am a resident of Natick and that the information included in this application is true to the best of my knowledge. I further certify that I have read and agree to be bound by the provisions of document entitled “Application Procedures and Policies”, including all provisions regarding the possible loss of the Scholarship due to a change in major, failure to maintain a sufficient grade point average or conviction of a crime.
